

AURORA AUGUST MINI LEAGUE

REGISTER TODAY!

Starts August 9-August 27

We will be trying something completely NEW this August.

We will form leagues of 4-6 teams per age group.

Leagues can be up to 50 players per league You will get 6 game nights, either Mon & Wed, or Tue & Thu. You will also have a practice session on Sunday.

Times and days per week will be determined once registration closes. **REGISTRATION CLOSSES AUGUST 5**

Leagues will be groupings of players based on skills, size, age, experience level, to ensure FUN!! Ideally, we will have age groups with just the player's gender and age group, but we may have to get creative based on numbers, to be able to for enough teams to play. Games will be 5v5, up to 7v7 depending on numbers of players per grouping.

Leagues will only occur if there are enough numbers to do so, to form an appropriate league. If there aren't enough, participants in that grouping will be offered a nine-session training program with game play.

U9-U17 – 6 games, plus 3 practices - \$90 for 9 sessions

you will also need a black and a green jersey. You can purchase jerseys if you do not have them

NOTE ** Age groupings will be based on 2020-21 Indoor Season.
